ACCOUNTING

CONSOLIDATED ANNUAL ACCOUNT AND CONSOLIDATED FINANCIAL STATEMENTS FOR 2016

The consolidated annual account, i.e. consolidated financial statements represent financial statements of a group which should be presented as reports of an economic entity.....3

ADDITIONAL MEMBER FEES - CAPITAL RESERVES

The company members can improve the financial state of the company by “additional fees”, that is, by accumulating financial stability maintenance reserves, otherwise called “capital reserves” without increasing the nominal capital....36

TAXES

DAMAGE COMPENSATION AND VAT

Although the turnover encompasses everything that can be subject to legal circulation, still the turnover also is subject to VAT taxation only in the extent in which it represents an economic turnover, that is, a turnover where the fee assets come from. There has to be an economic interest for such payments40

SERVICE OPERATIONS LOCATION AND VAT

Service operations location is the place where the service provider has an actual office, or a headquarter where the service is being provided. If there is no such place, service operations location is considered the place where the service provider has a permanent abode.....44

SALARIES AND BENEFITS

SICK LEAVE - RIGHTS, LIABILITIES AND SALARY BENEFITS

The rights and liabilities of both the employer and the employee, as well as the procedure for determining the benefits amount are stipulated in a number of legal regulations50
