### ACCOUNTING

#### DIVISION OF TRADE COMPANIES SEPARATION BY ESTABLISHING OR BY ACQUISITION

Conducting division procedures by companies is not a rare phenomenon.

By the division, they perform deconcentration of the equity as well as a division of the activities of the new companies, or transfer to existing companies, the main goal of this being higher efficient performance of all the companies ..... 3

#### COMPENSATION AND CESSION FOR COLLECTING PAYABLES AND RECEIVABLES

Collecting of payables, i.e. settling the liabilities, except for non-cash, or limited cash payments, can be performed by the company by the so called "paying with calculation", only based on accurate documentation – compensation statement, cession agreement, and the like ..... 10

### TAXES

#### ATTORNEY FEES AND COSTS FROM THE ASPECT OF VAT
